

Oude Westhof Village House/Unit types

Oude Westhof Village was designed to provide a wide range of accommodation to suit individual needs.

In many cases the original plan was altered at the request of the first purchaser before the house was built.

Please bear in mind that the selling price of properties is set by the Seller and will be affected by many factors, including size and internal design of unit, position and view, quality and condition of the interior finishes and whether it is free-standing or semi-detached.

This information is presented as a guide only.
